RE: Dust Control

Please be advised that the RM of Manitou Lake will be offering Dust Control, providing there are a sufficient number of requests. It will be cost share as follows:

- The product being applied will be MG30.
- 50% RM share, 50% RM Resident share for product and application.
- The RM will cover any prep work.

The **APPROXIMATE** cost to the ratepayer for 100m of dust control is \$300.00. This cost will be dependant on the cost and amount of materials used. This cost could be less or more, dependant on the road width and road condition.

- ✚ The RM does not guarantee the effectiveness or longevity of the dust control applied.
- ✚ It is at the discretion of the RM to rework any section due to deteriorating road conditions.
- ✚ There will be no refunds given once product is applied.
- ✚ Application time will be from June 1st – September 30st, 2024.
- ✚ If ordered dust control for the 2024 year is not paid for IN FULL before December 31st, 2024, it will be added to your taxes.
- ✚ Should a second application be requested, there must be enough yard sites requesting a second application to justify the quantity needed.

Should you have any questions, please contact the office.
